CCE LTER scientists mentor REUs

~Summer 2014~

Conducting research at SIO and at sea

This past summer, 5 REUs and 1 alum (from 2013) conducted research under the mentorship of various CCE-LTER scientists, Postdocs, & graduate students in SIO labs. Three REUs also experienced life & work at sea on the CCE cruise.

Meet our REUs here, & check out their individual projects at:
